Business as Usual (Off the Subject, #3) by Denise Grover Swank

Business as Usual is the third book in the Off the Subject series and focuses on Lexi. This is a standalone book but I feel that it helps to have read the previous books only because there is an overlap of the characters in this series.

Companies Need to Stop Pretending It's Business as Usual ...

Business as usual is a term for the continuation of normal processes and procedures during an extraordinary period or event. For example, a company may continue business as usual after being acquired by another firm so that sales don't drop, customer service doesn't suffer and investments in new developments aren't lost. The term is attributed to Winston Churchill with his statement: "The maxim of the British people is business as usual" in the early days of WWI.

Business as usual - Idioms by The Free Dictionary

For business as usual functions to be effective, you'll find BAU teams seek to mitigate all risk to operations. They work to take the uncertainty out of business for better organizational stability and repeatable processes. By their very nature of being unique and uncertain, projects require an element of risk.
