Certified in Neonatal Pediatric Transport (C-NPT) is the designation in the USA for a paramedic, physician, respiratory therapist, neonatal nurse, nurse practitioner, nurse or physician assistant who has earned certification from the National Certification Corporation in neonatal and pediatric transport. This certificate of added qualification was rolled out in 2009.

[Certified in Neonatal Pediatric Transport—Wikipedia](#)

According to the Bureau of Vital Statistics, Neonatal Pediatric Specialists (NPS) are the most employed of all specialty credentials among respiratory therapists. Of those who are not retired, approximately 96% of all NPS practitioners are employed. This compares to CRTs at 72% and RRTs at 85%. The Neonatal Pediatric Specialist (NPS) credential is one of the most sought after credentials by employers, even when neonatal or pediatric care is not part of the job description.
