Application

Express

Oracle

Application

Express is the native low code framework of the Oracle Database.

Using

Application

Express, you can easily create

modern,

responsive,

Bookmark File

PDF Oracle

scalable Web applications with minimal effort. With no additional coding, Web apps created with APEX look great on the desktop, tablet or smartphone. Application Express is a supported

Bookmark File

PDF Oracle

feature of the Oracle Database and is included, at no additional cost, with every Oracle Database, both on-premises and in the cloud.
