Select the aspect ratio supported by your TV. Next, the network options appear. Wireless is set by default. Select your network name (SSID). If you need to enter a password, go ahead and enter that as well. Your Blu-ray player will connect to the network and run a network test. When complete, you are ready to go.

Set Up Your Blu-ray Player - Samsung Electronics America

I am having the same issue with two BD-J5700 blu Ray players. I noticed it on one last night. I replaced it an identical spare model this morning. The display looked normal at first, but it asked me to do an online software update. After that the second player also started recycling on and off infinitely.
